Frank Gifford has long been recognized in the greater Philadelphia region as one of the industry's leading arborists. The reputation of his company, Gifford Brothers, Inc., is built on the principle of accurate diagnosis before treatment. Frank has been a practicing arborist since 1977 and has been a member of the International Society of Arboriculture since 1985.

The extent of Frank's involvement with ISA demonstrates his commitment to advancing the profession of arboriculture. In 2007, he was involved in drafting the ISA Disaster Relief Policy, and in 2005 he served as the chair of the ISA strategic workgroup focusing on internationalization.

Frank is a Board Certified Master Arborist who has also been active locally in the Penn Del ISA Chapter. His commitment to continuing education for members of his own company as well as industry peers has earned him recognition on a national level. His positive communication skills and the desire to give back to the industry have earned him recognition internationally as a consultant, speaker and industry leader.
