Melinda Myers has served the arboriculture profession through work and volunteer activities since starting her career in 1979. She is a certified arborist and a member of ISA since 1981 and currently serves on the ISA Public and Industry Relations Committee.

Melinda's focus has been on sharing her knowledge and experience to inspire and educate both professionals and the public on the value of trees and the professionals that care for them. Melinda shares her experience and knowledge gained as an Extension Agent, Milwaukee's Assistant City Forester and Technical College Instructor through a variety of media and outreach efforts.

Melinda has served the Wisconsin Arborist Association (WAA), as chapter President, co-editor of the chapter newsletter and Arbor Day Committee Chair. In recognition of her service Melinda has received the WAA Distinguished Service Award, Honorary Life Member and the ISA Gold Leaf Award for Arbor Day.

Melinda believes if we all use our talents and work together we can make a difference. And that is what she wants to do by serving on the ISA Board. Melinda is looking forward to using her passion and experience to help ISA move forward with education, research and promotion of our profession.
